Friday 17th January 2025

Dear Parents and Carers,

We were delighted to be able to share our final inspection report from our recent Ofsted visit yesterday. We're very proud of the observations within the report and I wanted to say a personal thank you to all involved in our Oakmeadow community for your support. Your children are absolutely amazing and I'm glad this was recognised in the comments.

Today, Mrs Neill leaves Oakmeadow to begin her maternity leave! We will miss Mrs Neill but are very excited for her and the times ahead. We have a new teacher Miss Griffiths beginning next week as teacher of Hedgehogs class in her absence. Miss Griffiths is familiar with Oakmeadow, having spent time here before, and we are looking forward to her joining the team!

Below is an advert for our Holiday Club that we plan to run in February half term and on the PD Day that follows. The club will be held in the Community Hub on site and will involve school staff delivering a variety of activities such as arts and crafts, forest school and sports. You can sign your child up for full days or for school hour days. We may be able to accommodate smaller slots also so please enquire if this is what you need. Please sign up asap via Arbor to avoid disappointment!

I hope you all have a lovely weekend,
Samantha Hill
 Headteacher

Wednesday 30th April– Friday 2nd May	Year 4 Pioneer residential

• School Lunch Menu:

This week we will be on Week 3 of the Autumn/Winter 2024/25 menu.

• Think Pharmacy First

Most pharmacies in England are now providing the Pharmacy First service.

This free NHS service allows you to get quick access to healthcare advice for the following seven conditions:

- Earache (aged 1 to 17 years)
- Impetigo (aged 1 year and over)
- Infected insect bites (aged 1 year and over)
- Shingles (aged 18 years and over)
- Sinusitis (aged 12 years and over)
- Sore throats (aged 5 years and over)
- Urinary tract infections (UTIs) in women (aged 16 to 64 years)

If you have symptoms that suggest you may have one of these conditions, you can walk into a pharmacy and be offered a consultation with a pharmacist in a private consultation room.

The pharmacist will provide advice and, if clinically necessary, a prescription medicine to treat the condition (NHS prescription charges apply if you normally pay for medicines supplied on prescription).

Think Pharmacy First!
